

A little help from you is a big help for others

Dear All,

As the monsoon arrived in West Bengal, the difficulties have been increased in the slums. The second wave of Covid 19 affected all the community centers. During this difficult time, we supported 2250 families with food and essential sanitary products. Mostly dry ration products were given to them.

In Ghushuri Howrah, the rain-affected, most of the houses in the slum were being waterlogged; the dry rations helped them a lot.

Although the natural calamities didn't keep the spirits down of the children, they celebrated Independence Day and Rakhi together. This month International Youth Day is also celebrated across all the community centers.

In August, free Covid 19 vaccination camp was organized in Dumdum Community Centres with support from Narayana Hrudalaya Rabindranath Tagore International Institute of Cardiac Science, Kolkata.

Best Regards,

Team LittleBigHelp India Trust

Celebration of Independence Day at Community Centre

LittleBigHelp India trust in collaboration with Rabindranath Tagore International Cardiac research institutes and Minister of Fire and Emergency Department Government of West Bengal and which supported by local councilors organized a vaccination camp in Dumdum. In this camp, the change agents, skill trainees, guardians, local club members, community volunteers, and other community people received the vaccination against Covid 19. A total number of 301 people get vaccinated.
