A little help from you is a big help for others

Congratulations to Moumita and Dipanjan, from our boys' and girls' hostel for their outstanding achievements in passing their 12th Board examination in the first division! Seeing students from underprivileged backgrounds overcoming challenges and excelling academically is genuinely inspiring. Moumita's exceptional score of 83% is a testament to her hard work, dedication, and intelligence. Both Moumita and Dipanjan should be proud of their accomplishments as first-generation learners.

At the beginning of the new session of Skill training, LittleBigHelp organized outreach events like miking, pamphlet distribution, and registration camps in 5 selected slums, which are identified for training this year. Approx. 177 names were listed during the camps.

Outreach for Skills Training

International Women's Day was observed at the community centre with all the adolescent girls. It is a significant occasion that celebrates the achievements and contributions of women worldwide while also raising awareness about gender equality and women's rights.

By organizing an event specifically for adolescent girls, the community centre acknowledges the importance of empowering young women and providing them with a platform to express themselves.
