

*A little help from you is a big help for others*

February is the onset of Spring in India, and also it is the month of Love. But being in love with oneself is the most precious love a person ever got. To celebrate self-love on the 14th of February, our founder Lisbeth Johansen took the boys and girls from our hostel along with a few team members and two honourable guests Merethe and Anne to a ferry ride over the Ganges. The day was all about connecting our souls with the flowing river and discovering self-love.

On February 23, the basic beautician training course wound up. 18 trainees received the certificate of completion from our honorable guests Merethe and Anne and Danish Board Member Ms Anja Hartung Sfyrla. Out of 18 trainees 16 trainees will rejoin the Advanced beautician course.

## Skills Development

Sex education is important for adolescent girls to generate awareness, as the boys, In February adolescent boys, were also being trained on Sexual Health and Education and it is very much important to educate them on the consequences.

## Empowering Adolescents
