A little help from you is a big help for others

Early in April, Rasmus Hammerich and Lisbeth Wulff two accomplished Danish actors visited Kolkata and most of our community centers and both the Homes. It was a great pleasure to have them.

They interacted with children, adolescent girls, and boys. they inaugurated a new woman-friendly toilet, they had a delayed Holi celebration at Girls' Home, and held a drama workshop with the boys at Boys' Home.

LittleBigHelp observed the International Street Children day on 12th April 2022 to acknowledge the strength and resilience of millions of street children across the world. The day also recognize the humanity, dignity, and defiance of street children in the face of unimaginable hardships
