

A little help from you is a big help for others

Dear All,

The month of September began with pre festive fervor (Durga Puja Shopping and Planning). However the continuous rainfall subdued the pre festive mood to some extent. As India celebrated Teachers Day on the 5th of September, students sent out heartwarming wishes and messages to their teachers on the virtual platform, thanking them for their hard work and dedication. Children in our community Centers were seen celebrating too. They sang, danced, recited poems and made cards for their teachers.

Best Regards,
