## *Earth Day Observation*

LittleBigHelp celebrated Earth Day 2025 with community centre children under the theme "Our Power, Our Planet." Children engaged in creative activities to learn how their small actions can make a big difference for the Earth.

## *Breaking the Barriers*

Two young women from underprivileged backgrounds enrolled in phlebotomy courses under the skills development project. After successfully completing their training, they are now gaining valuable hands-on experience through on-the-job training at a local polyclinic. Despite the challenges they've faced, they are embracing the opportunity and shining through with confidence and determination.

## *Sharing Smiles*

Sharing smiles from the children at the community centre. New children joined in April 2025. This photograph was taken by Nick Levin, a photographer and friend of LittleBigHelp. We are grateful to Nick for all the wonderful photographs
