## *Celebration of Republic Day*

LittleBigHelp India Trust celebrated the Republic Day on 26th January across its project areas, where both children and team members actively participated by hoisting the Indian National Flag and singing the National Anthem. This celebration served as a valuable opportunity for the children to gain a deeper understanding of the significance of the Republic day.

## *Skills Development*

New barbering training has commenced at Basanti Colony, attracting participants from various slums. The trainer is demonstrating techniques, while the trainees are seen practicing. A total of nine men have enrolled in this three-month program. Upon completion, they will have the opportunity to work in nearby salons or even start their own businesses. Engaging in new trades always brings a wave of enthusiasm and excitement.

## *Children's Excursion*

All the boys and girls, along with the team members from LittleBigHelp Boys and Girls Hostel, went on an excursion to a seaside beach in Midnapur. It was a breath of fresh air for the children, who had a fantastic time and engaged in plenty of play.
