

A little help from you is a big help for others

Karina Østenkjær, a valued member of the LittleBigHelp family and donor, visited India and shared her expertise as a professional psychological counselor. She engaged with the team, offered valuable insights to the skills development trainees, explored the Shibpur community centers, and spent time at the boys' and girls' hostels, leaving a profound impact and enriching our initiatives.

Children's Day

LittleBigHelp India Trust celebrated Universal Children's Day on November 20th, 2024, with the theme "Listen to the Future." Activities included child rights awareness sessions, games, creativity workshops, and poster-making at community centers. These initiatives aimed to foster a nurturing environment for children's growth, development, and rights protection.

Youth Empowerment

LittleBigHelp provided vocational training in jewelry making to 80 girls from Behala Barisha Vivekananda Girls' High School. After completing the three-month program, certificates were awarded to the participants. Our Program Director, Debashis Guha, inspired and motivated the girls through his heartfelt conversation.
