In September 2024, the children were filled with excitement as their beloved Lis Aunty paid a visit to Kolkata. During her stay, Ms Lisbeth Johansen, the founder of LittleBigHelp, visited all the project areas, including hostels, community centres, and skills development centres. Her presence brought immense joy to the children and team members, reaffirming the organization's commitment to their well-being and development.

Teachers' Day, celebrated on 5th September in honor of Dr. Sarvepalli Radhakrishnan's birthday, recognizes the invaluable contribution of teachers to society. LittleBigHelp community centers and hostels marked this occasion with heartfelt celebrations, appreciating the dedication and guidance of their teachers

Ms. Lisbeth Johansen, our founder, spent a memorable day in Shibpur during her visit with the basic beautician trainees, where they shared their experiences and showcased their skills. She also interacted with the youth from the basic computer course, who reflected on their Youth Day event and learning experiences, along with the exposure gained from various workshops. The day concluded on a positive and inspiring note, celebrating growth and empowerment.
