

A little help from you is a big help for others

LittleBigHelp observed Earth Day 2024 by involving children in a variety of activities, like drawing competition, enhance environmental education and provide hands-on experiences that promoted sustainability and environmental awareness among young participants. across their community centers.

Earth Day Observation

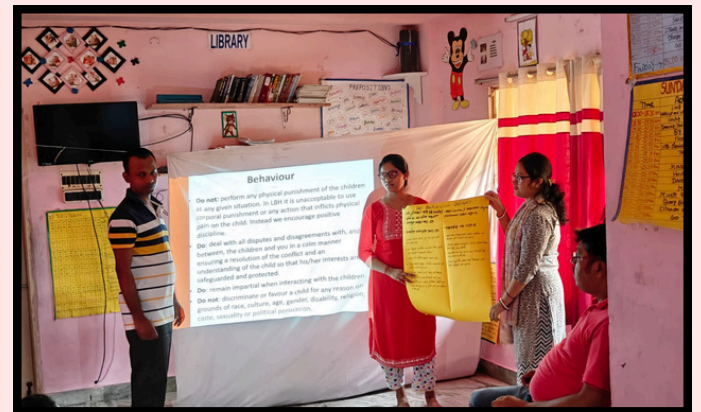

A joyful learning training session was organized for all the team members of the Community Centre. The training helped the team members interact with the children in a colorful and playful way.

Joyful Learning

An orientation workshop on the Child Protection Policy was organized at the girls' hostel, with team members from the boys' hostel, girls' hostel, and counseling team in attendance.

Team Learning

An interactive home visit was conducted with potential skills trainees. The interaction helped identify trainees who truly needed the training, which contributed to reducing dropout rates.
