Child Carnival

A children's carnival took place on February 7th in one of our operational areas, with nearly 600 enthusiastic participants. Among the attendees were esteemed board members and our Founder, Ms. Lisbeth Johansen & our Director, Mr. Debashis Guha. The event was filled with joy as the children showcased their talents through cultural programs and a dance drama. Through their performances, they effectively conveyed important social messages, addressing issues such as child marriage, early marriage, the significance of education, and the causes of environmental pollution.

On the Leap Day of 2024, in the Durganagar Community area, 13 trainees were granted their driving licenses as part of the Skills Development Project by LittleBigHelp India Trust. This initiative has paved the way for fresh livelihood opportunities for the recipients. Notably, one exceptional woman obtained her two-wheeler license, thereby enhancing her independence and potential for income.
