A little help from you is a big help for others

LittleBigHelp India Trust conducted an Organizational Development Program in Lataguri, North Bengal, bringing together 42 team members. Over the course of three days, the team engaged in team-building activities and learned valuable skills in conflict management. The program fostered a stronger bond among the team, promoting a collaborative and harmonious work environment.

Team Building

The construction of two women-friendly toilets in Ghushuri and Dhoparmath Community Centre, equipped with sanitary napkin vending machines and an incinerator, has brought great relief to community women and adolescents, ensuring easy access, safe disposal, and improved menstrual hygiene management. This initiative demonstrates a commitment to women's well-being and sets a positive example for other communities to prioritize women's needs in public facilities.
